

CREATE NEW
OPPORTUNITIES
FOR THE NEXT
GENERATION

Your contribution will help widen access to Women of the Future events and programming for students, emerging leaders and individuals who may not otherwise have the financial means to participate.

WHAT YOUR
CONTRIBUTION
CAN SUPPORT

Funds raised through this initiative may help provide:

Bursary places
Helping individuals access WOF programmes and events who may otherwise be unable to participate due to financial circumstances.

Event seats
Opening up opportunities to attend WOF events, connect with inspiring leaders and become part of our community.

Student tables
Giving students the opportunity to experience our events, meet role models and build connections that can help shape their future.

Travel support
Where appropriate, helping with travel costs so that distance or associated expenses do not become a barrier to participation.

School & ambassador participation
Supporting opportunities for students and young people to engage with WOF ambassadors, speakers and the wider programme.

Access-related costs
Helping us provide additional support where needed to enable individuals to participate fully in our events and programming.

EVERY
CONTRIBUTION
CAN HELP
CREATE AN
OPPORTUNITY

There is no minimum contribution. Whether you choose to make a one-time gift or support the programme on a monthly or annual basis, your contribution can help us reach more people and create more opportunities.

TOGETHER, WE CAN HELP ENSURE THAT ENCOURAGEMENT, CONNECTION AND OPPORTUNITY ARE ACCESSIBLE TO MORE OF THE NEXT GENERATION.
